Description of Services

Orrick, Herrington & Sutcliffe LLP is a major international law firm with an emphasis on finance, including public, corporate, project, structured and real estate finance. Orrick has the experience and expertise necessary to support these and related practice areas, such as tax, securities, contract, public law, creditors' rights and bankruptcy, and excels at coordinating these resources to create and implement new financing programs. Orrick's airport and port attorneys are based in Seattle, Portland, San Francisco, Los Angeles, New York, Washington, D.C. and in various cities in Europe and Asia and are experienced in financing all types of facilities owned by state and local government entities. Orrick's airport and port finance practice ranks among the top in the world and provides experience and valuable insight into current and emerging practices and developments.

History

Orrick, Herrington & Sutcliffe LLP began more than 140 years ago and today is among the leading international law firms. Orrick has maintained a substantial public finance practice for **more than 100 years** and has been ranked first in the country as bond counsel and as underwriters' counsel for most of the last 20 years.

Geographic Area Served

Orrick has **more than 1,000** lawyers practicing in Seattle, Portland, San Francisco, Silicon Valley, Los Angeles, Orange County, Sacramento, New York, Washington, D.C., **Beijing, Hong Kong, London, Milan, Moscow, Paris, Rome, Shanghai, Taipei** and Tokyo.
